

The Jiffy Lube “What Drives You?” Scholarship Program
Rules & Guidelines – Portland, Salem, Vancouver areas

What is it?

The Jiffy Lube “What Drives You?” Scholarship Program has been created to give a unique and early opportunity for high school students to gain funding for college or other qualified technical and/or professional programs through a scholarship award sponsored by neighborhood Jiffy Lube owners. Jiffy Lube wants to learn more about what drives these students now and where they see themselves down the road. The “What Drives You?” Scholarship Program is designed for students who are about to take a major step in their lives and take on the many responsibilities associated with getting their driver’s license. The “What Drives You?” Scholarship opportunity will continue to offer specific scholarships to students in driver education, and will now offer additional scholarship awards to teen drivers enrolled in high school to pursue. The scholarship awards will not be based on a student’s GPA or other standard qualifying criteria, rather each individual will be allowed to express his/her “inner drive” and personal ambition — his/her chance to be behind the wheel.
